## **“THE DOUBLE LADDER OF DEATH”** 16 knives in 6.5 seconds

On July 13, 2005, **THE GREAT THROWDINI** of Freeport, NY, and Harry “Der Werfer” Munroe performed one of the most dangerous and death defying stunts in the impalement arts: 2 professional knife throwers alternately throwing 14 inch knives for ½ spin across the body of their partner, Ekaterina, standing before a 4 ft. wide by 6 ft. high wooden board at a distance of approximately 8 ft. On that day Throwdini and Mr. Munroe threw 16 knives in 6.5 seconds, criss-crossing mid-air, impaling the board at 0.4 second intervals within inches of their partner; smashing their previous record of 8.0 seconds or 0.5 second intervals set Dec. 2002. This remarkable stunt was performed before a live audience at the Off-Broadway sensation ‘MAXIMUM RISK — World Champions on the Edge!’ SoHo Playhouse, NYC.
